You don't often get email from screnshaw@pittsburg.okcounties.org. [Learn why this is important](#)

CAUTION: This email originated from outside the Kiamichi Tech organization. Good morning.

I have now received emails from 5 out of 6 of you that confirm you will be available for the initial meeting of the Iren Data Center Review Committee.

I will forward to the law firm who will be helping to create the agenda for the meeting.

Below is a list of six individuals to consider for the 3 at-large seats that need to be filled, we are still seeking a seventh name, as required by statute:

1. Sam Wampler
2. Brent Case
3. Brian Lott
4. Rex Hatridge
5. Mandy Horn
6. Brent Stone
- 7.

If anyone has a name they would like to add as the seventh to be considered please let me know and I will pass along to the rest of the committee.

Since this review committee does fall under Oklahoma Statutes, Title 25 Open Meeting Act, please do not respond directly to this email as it could be considered a violation of the Act.

I have been asked to be the minute clerk for this committee since the Pittsburg County Clerk, Hope Trammell is a committee member and would be unable to serve as both.

Please let me know if you have any questions.

Sincerely,

Sandra Orenshaw

Chief Deputy, BOCC/DER
