Jason,

Both my deputy and associate superintendents are unavailable to meet next Wednesday.

My McAlester Campus Director, Raymond Wilson, would be available to meet you. I have copied him on my response to bring him in the loop. If you still want to meet him next Wednesday, please let us know. If you want to set a date/time for us all to visit next time you are in the area, we can make that work.

Thanks,
Shelley

Hi Shelley

Thanks for getting back to me. That's a shame you aren't available, we would be happy to meet your deputy next week and arrange a separate virtual meeting with you if that works.

Thanks

Jason,

Unfortunately that date does not work for me. I might could get a meeting set up with my Deputy Superintendent and my McAlester Campus Director that date if you would like.

I do apologize that my schedule does not allow for us to meet, as I do want to discuss how we can partner. Hopefully, we can meet on another trip you have to McAlester.

Thanks,
Shelley

Hi Shelley,

I hope you are well. We met briefly last week in McAlester. I am the lead developer for IREN's proposed data center in Pittsburg County.

I am in McAlester next week with several colleagues. If either of your schedule allows, we would appreciate the opportunity to meet on **Wednesday, May 6, after 11:00 a.m** to discuss any questions you have on our project and any synergies we might have with the Kiamichi Technology

Center. We are happy to accommodate your availability. If you are not able to meet in-person, we can also schedule a virtual meeting.

Thank you for your time and consideration. I look forward to the opportunity to speak with you again.

Thanks,
Jason
