CAUTION: This email originated from outside the Kiamichi Tech organization.

Hi Shelley

I hope you are well.

I am visiting McAlester and Kiowa next week. I understand you have a board meeting on Tuesday and was wondering if I could connect with you and/or some of your board members before or after your meeting? The purpose of the meeting would be to provide a brief update on our project and answer any questions you or your board have of our project.

Thanks

Jason Date
