Good morning, Mike. I received the funds from the Fugitt Foundation in the sum of \$25,000.00 for the reading park. I spoke with Mary and we agree these funds will provide the 12 story walk podiums and concrete installation, a covered gazebo and fencing the perimeter. Let me know when you will be able to have someone flag the area for story walk podium placement. This is exciting! Thank you so much! Kim

Kim, that's very exciting. The rest of this month is a bit wild, so if you're okay with it can we schedule something in early July? I'd then like to bring into the conversation my McAlester staff person who has a lot of experience now with story walks and my IT guy, who also has his crews do some handyman work.

Thank you.

Kimberly, we'll get the meeting we discussed in this email thread scheduled next week. I wanted to let you know that I've asked the tax increment district attorney to propose to Iren that, within our documents, they committee \$60,000 to us for the purpose of putting in a concrete driveway and landscaping at your library. It seems like a reasonable request to me, especially compared to the three paid staff positions the health department has asked for, so I'm hopeful enough to share this with you. All they can do is say no. If they do say no, I'm very much planning to ask their community giving side about covering this need.

Just letting you know that we're definitely thinking about and fighting for continued growth and improvement in Kiowa. Have a great Fourth of July weekend.

Best.

Oh my gosh, Kim. I owe you an apology. Getting back to meet with you on this totally fell through the cracks. I'll get with Lacey now and see when we can both be available to meet either next week or the week after.

Thank you.
