David and Members of the Pittsburg County Iren Project Emerald TIF Committee,

After the last public meeting and with the County Commissioners tabling and sending back to the committee I have spoken with my Regional Director of Health, and we have some request for IREN to consider (See Attached file).

Thank you,

James, reviewing now. Do you happen to have an idea of what the total cost for these three positions over the life of the TID would be, based off that pay scale?

Thanks,

David,

Over the 25 year period it would be around \$203,625,000 without benefits.

David,

Correction to that last number my calculator decided to do its own thing. For 25 years it would be \$6,771,000.
